

Streamex Corp. Announces April 2026 Yield Dividend Distribution for GLDY

May 18, 2026

WINTER PARK, Fla., May 18, 2026 (GLOBE NEWSWIRE) -- **Streamex Corp. ("Streamex" or the "Company") (NASDAQ: STEX)**, a technology company focused on the tokenization of commodity real-world assets, today announced the distribution of the second yield payment for GLDY, its gold-backed, yield-bearing tokenized security. The distribution covers the period from **April 1st through April 30th, 2026**.

Yield Distribution Details

GLDY's real-world yield is generated through Streamex's institutional gold leasing program, with proceeds from the program distributed to GLDY holders in the form of additional GLDY tokens monthly. Gold on lease is currently earning an annualized lease yield of 3.5%. For the month of April, **8.267485 GLDY** (8.267485 oz's gold) was distributed resulting in GLDY holders receiving a distribution of **0.002677 GLDY** per token, the first full month of distributions reflecting near fully-deployed gold reserves on leases.

Henry McPhie, Co-Founder & Chief Executive Officer of Streamex, said: "Our second yield distribution demonstrates the recurring, compounding nature of the product. GLDY holders are being paid in gold to hold gold, each month. We remain focused on scaling the program, rolling out secondary trading venues for GLDY and executing on the gold leasing model"
