

Streamex Corp. to Report Second Quarter 2026 Results and Host Business & Corporate Update Call

August 4, 2026

WINTER PARK, Fla., Aug. 04, 2026 (GLOBE NEWSWIRE) -- **Streamex Corp.** ("Streamex" or the "Company") (NASDAQ: STEX), a technology company building the future of the commodity markets through tokenization, today announced that it will release its financial results for the second quarter on Friday August 14, 2026, and host a corresponding earnings and corporate update presentation on **Monday, August 17, 2026, at 4:30 p.m. ET.**

Henry McPhie, Co-Founder & Chief Executive Officer of Streamex, said:

"This was a transformative quarter for Streamex. Since our first quarter results, we have gone from having a live product to having a live ecosystem. We launched the first compliant decentralized secondary market for a tokenized security with Orca, brought on Kori Handy to lead product and design, and opened institutional brokerage distribution through our collaboration with Siebert and tZERO. Subsequent to quarter end, we added instant T+0 liquidity through Wintermute, completed our first independent reserve attestation with EisnerAmper, and made GLDY available for custody with Inspira Financial. Each of these was significant on its own. Together, they represent the infrastructure and distribution foundation we set out to build. I look forward to walking shareholders through the quarter and where we go next on August 17."
